

RASOR CONDUCTED MANY COURTSHIPS

FORMER SWEETHEARTS OF AL-
LEGED MURDERER TESTIFY
IN HIS TRIAL.

HE OFFERED TO MARRY TWO

One Went Buggy Riding with Rasor
Two Evenings Before Ori Lee
Was Killed—Denied that He
Would Marry Miss Lee.

Medina, O., Feb. 24.—Former sweet-
hearts of Guy Rasor, on trial here
charged with the murder of his
fiancee, Ori Lee, testified against
Rasor yesterday. Two said they had
received proposals of marriage from
Rasor, and one of these that she had
been receiving his attentions for the
last three years in the belief that he
loved her.

Another said she had gone buggy
riding with Rasor two evenings be-
fore Ori Lee was shot. Two, to
whom he had also paid attention, tes-
tified that he had denied any inten-
tion of marrying the girl.

A Mail Carrier's Evidence.
C. F. Dohner, mail carrier at Doyle-
stown, testified he met Rasor and
Ori Lee at Doylestown about four
weeks before the murder. Ori Lee,
he said, was sitting alone in a buggy
there when he first saw her.

As a result of a talk with Ori,
Dohner said he went to a nearby sa-
loon and saw Rasor.

"I said to him," testified Dohner,
"A lady is waiting for you outside."
Rasor said to me, "Oh, h—, let her
wait."

Dohner said the saloon was crowd-
ed and that many heard what Rasor
said.

Testimony is Ruled Out.

Al Warner testified he was in a
saloon near the railroad station at
Wadsworth the evening Ori Lee was
murdered.

Rasor was there, and soon after
Rasor left, Warner testified, a voice
that said she was Ori Lee called on
the telephone. Warner answered it.

The defense fought to have this tes-
timony ruled out and succeeded. This
witness was not permitted to say who
the voice called for.

The defense last night came into
the possession of evidence tending to
show conclusively that the buggy in
which Miss Lee was driven to her
death was not Guy Rasor's, as the
state has attempted to prove. At-
torney Bennett, for Rasor, learned from
the police at Cuyahoga Falls that a
livery stable of that place has been in
possession since October 9 of a horse
and buggy left there by a stranger.

The horse and carriage fit closely the
description of those which took Miss
Lee to her death.

The mysterious horse and buggy
were left at the livery stable the
morning after the murder. All at-
tempts to find the owner have failed.

Railroad Must Pay \$108,000 Fine.

Washington, Feb. 24.—The verdict
of the United States circuit court im-
posing a fine of \$108,000 upon the
New York Central Railroad Co. on the
charge of granting rebates to the
American Sugar Co. was yesterday
affirmed by the United States su-
preme court.

NO CABINET JOB FOR HERRICK

Judge Taft Says that Ex-Governor
Will Not be Appointed Sec-
retary of the Treasury.

New York, Feb. 24.—Ex-Gov. Myron
T. Herrick of Ohio will not be the
secretary of the treasury in the Taft
cabinet. This fact is set forth in the
following statement written by Mr.
Taft after a long conference with Mr.
Herrick yesterday:

"At the invitation of the president-
elect, Gov. Herrick called on Mr. Taft
to-day. Mr. Taft authorized the state-
ment that the mention of Mr. Herrick
for the portfolio of the treasury, as
if he had been a candidate, did him
great injustice, because Mr. Herrick
wrote Mr. Taft last December to say
that his business engagements were
such as to prevent his acceptance of
a place in the cabinet."

The elimination of Mr. Herrick, at
his own request, would seem to put
Franklin McVeagh of Chicago in the
lead for the place, but the only light
Mr. Taft would throw on the situation
was that it would be several days yet
before the matter would be settled.

HAD IT DOWN TO A SCIENCE

Councilman Klein Boasted of His
Cleverness in Controlling Legis-
lation for Pittsburgh.

Pittsburgh, Feb. 24.—That there was
a regular organization among coun-
cilmembers, with Capt. John F. Klein as
"the angel of charity" and that money
contributed by six banks was divided
among 88 members of council was
told by Klein to Robert Wilson, who
worked up the graft cases, according
to the testimony of Klein given yester-
day. When witness told Klein he
seemed to have reduced the matter of
controlling legislation to an art, he
replied, so witness stated, "It is not
an art, it is science."

Much detailed testimony in regard
to the use of money in furthering the
passage of city ordinances was given
by Wilson, and to a large extent cor-
roborated by his assistants, Herbert
Jones and T. S. Huffling, who testi-
fied.

A Forger Surrenders to the Police.

Pottsville, Pa., Feb. 24.—A stranger
who gave his name as G. E. Loupp of
Maryland, surrendered himself to the
police here yesterday. He said he
was wanted in Haverhill and Reading
for forgery and was tired of dodging
the officers who were constantly on
his trail. Haverhill detectives were in
town looking for him and he de-
termined to end his life. He pur-
chased a pistol, but he never fired.

BROWNSVILLE AFFAIR

TO BE SETTLED BY AN ARMY
COURT OF INQUIRY.

Senate Passes the Compromise Bill
Agreed Upon by President
Roosevelt and Foraker.

Washington, Feb. 24.—The presi-
dent is authorized to appoint a court
of inquiry to determine the qualifica-
tions for re-enlistment of discharged
negro soldiers of the Twenty-fifth in-
fantry regiment who were accused of
shooting up Brownsville, Texas, on
the night of August 13-14, 1906. The
Aldrich bill for this purpose was
passed in the senate yesterday by a
party vote of 56 to 26 except that
Senator Teller voted with the Republi-
cans for the passage of the bill. The
bill is a compromise measure ap-
proved by President Roosevelt, Sena-
tor Foraker and all the Republican
members of the committee on mili-
tary affairs.

The court of inquiry will act as a
board to consider applications for re-
enlistment and recommend the restora-
tion to duty of such soldiers, who
are not found guilty of complicity in
the affray.

The senate also passed the fortifica-
tions bill with appropriations ag-
gregating \$8,320,111 and the diplo-
matic and consular appropriation
bill carrying \$3,646,356.

House.—Appropriation bills mainly
occupied the house. The sundry civil
bill was considered, but progress with
it was slow. The fortifications, legisla-
tive, executive and judicial, diplo-
matic and consular, and postoffice
appropriation bills were sent to con-
ference.

TO BE REPLACED ON TABLET

Jefferson Davis' Name to be Restored
to the Marker on Famous Bridge
Near Washington.

Washington, D. C.—Official
amends for the sensational elimina-
tion of Jefferson Davis' name from
the tablet on Cabin John bridge, six
miles west of this city, during Presi-
dent Lincoln's administration, is given
in directions the president issued yester-
day through the secretary of war to
the chief of engineers of the army to
restore the name.

City Wins Fight Against Railroads.

Columbus, O.—After ten years
of hard fought litigation the city of
Columbus has won in its ef-
forts to compel the Cleveland, Colum-
bus, Cincinnati & St. Louis and the
Pittsburgh, Columbus, Cincinnati & St.
Louis railway companies to live up to a
contract between the city and the
companies requiring the latter to
erect buildings on both sides of the
High street viaduct at the Union sta-
tion. The decisions in these cases,
there being one against each com-
pany, were handed down by the su-
preme court yesterday.

The Lake Is Public Property.

Meadville, Pa.—Conneaut Lake,
the largest body of water in the
state, was yesterday declared to be
public property in a decision in a
test case handed down by Judge Cris-
well in Venango county. The case
was brought by the Conneaut Ice Co.,
which claimed the lake, to prevent
Henry Rhodes of Pittsburgh and Amos
Quigley of Conneaut Lake from oper-
ating a small steamer on its waters.
Judge Criswell denied practically
every important contention of the ice
company.

Cleveland Won Marathon Race.

Wheeling, W. Va.—George New-
land of Cleveland won the H. G.
Friedrichs 15-mile Marathon race
here yesterday in 1:47. Robert Ken-
ny of Bellaire finished second, 30
seconds after the winner. W. E. Don-
nelly of Steubenville was third and
Kyle Smith, Wheeling, fourth. Fifty
thousand people lined the course.

Brothers Stricken with Apoplexy.

Canton, O.—Solomon K. Leg of
Shreve, O., died yesterday of apoplexy
at Ingleside hospital. He had been
called here Monday by a message
telling him that his brother, Christian
Krieg, had suffered an apoplexy
stroke and soon after his ar-
rival.

DIED ON NIAGARA ICE BRIDGE

Man Whose Wife Burned to Death
Suicided After Saying She Had
Appeared to Him in a Vision.

Niagara Falls, N. Y.—R. Von
Banner, 29 years old, who said
he was a German of noble birth
estranged from his family because he
married against their wishes two
years ago, met death on the ice
bridge below Niagara Falls yester-
day.

Von Banner came here Saturday
and was taken care of by John L.
Harper, chief engineer of the Niagara
Falls Hydraulic Power Co. Von Ban-
nar told Mr. Harper that his wife was
burned to death in a fire which de-
stroyed their home in Chicago re-
cently and that since then he had
been traveling around the country
seeking to forget her tragic end.

At noon yesterday Mr. Harper re-
ceived a letter from Von Banner in
which the German said he had seen
another vision of his wife on Satur-
day night and that he had decided to
follow her.

Early in the afternoon a man walk-
ing on the ice bridge near the Ameri-
can side suddenly disappeared in a
crevice. It was thought that a visitor
had accidentally slipped and fallen
into the water. The body was re-
covered by a park employee, who was
lowered into the crevice by ropes.

"Be Good."

Beware of making your moral staple
consist of the negative virtues. It is
good to abstain from all that is hurt-

of it leads to emasculation of charac-

the more nutritious diet of active
sympathetic benevolence. — Oliver

Mrs. Kate Gehret, 633 N. Park Ave., Alli-
ance, Ohio, says: "I have no hesitation in
recommending Doan's Kidney Pills, as I
know from experience that they are a most
reliable remedy for kidney disease. They
cured my husband of a kidney weakness
and he is now in his back. Seeing the
good results effected in his case, I used
the remedy myself and was cured of kidney
complaint. That happened over five years
ago and I have had no serious trouble with
my kidneys since. My husband is also
quite free from kidney complaint. We both
use Doan's Kidney Pills occasionally, how-
ever, and they serve to keep our kidneys in
a healthy condition."

NEUROLOGY

The Science of Health

My business is to teach people how
to keep well, and when sick, how to
get well without drugs or medicine.
It is the 20th Century way.

I have been telling you about it
for five years. You become your
own doctor and nurse—you don't
have to spend money for drugs.
Very few people know much about
law, therefore they hire a lawyer.
Very few people know how to live
right—and those who want to know,
I can teach.

My business is increasing all the
time, among intelligent people—
people who think. Only supersti-
tious people take drugs now-a-days.
Even the Doctors are becoming
schemed of themselves for prescrib-
ing drugs. Of course they won't
tell you this unless you ask them.
There is only one way to keep well
and that is to eat, sleep and live
right.

If you are not well it is proof that
you don't know how to live right.
Think it over and if you wish to
learn—consult me.
